RE: Transfer of Materials for Executive Board Officers and Chief Stewards

Dear Executive Board Officers & Chief Stewards,

I would like to first and foremost thank all those who have served on the Executive Board to date, your service to the Board and all of our Sisters and Brothers across Massachusetts in Local 1067 has been and always will be appreciated. As we are all aware this election year there will be some new faces on the Board, for this reason I am reminding all Executive Board members that we must all comply with The AFSCME International Constitution regarding Officer Responsibilities as follows:

APPENDIX B

Obligation of an Officer

I, _____, promise and pledge that I will perform faithfully and with honor the duties of the office which I now assume in the American Federation of State, County and Municipal Employees, and I will deliver to my successor in office all books, papers and other property of this union which are in my possession at the close of my official term.

I welcome and congratulate all our newly elected/re-elected Chief Stewards and Executive Board Officers. I look forward to working with each and every one of you; indeed we will have a lot to do over the next two years. We must rally and rejuvenate the faith of our fellow sisters and brothers whom we are serving, fight for our retro pay, fight for our contracts, fight to keep our rights to organize, and we must stay focused on whatever this Governor may attempt to put through to attack our members and their families. I know that this Executive Board will be up for the tasks we will face together.

In Solidarity,

Christopher Olsen
President
